

3 TIPS

For Posting PH Employment Opportunities in Montana

The MPHTC Workforce Program wants to help you post and fill your job openings. Here are three tips to help get you started.

1

Post your job opportunity on the Montana Public Health Association (MPHA) website.

Let's go »

2

The MPHTC Workforce Program is launching a new online resource where Public Health organizations can post job opportunities at mtpublichealthjobs.org.

Let's go »

3

Here are some additional places you can post your job. Some are free and some require payment.

- **Local health department website**
- **Local newspaper employment ads**
- **Facebook post or ad**
