Two modules from the online geriatric health curriculum are available FREE of charge for a total of 4 (CE)/contact hours:

- Cognitive Decline & Dementia in Older Adults (2 contact hours)
- Screening for Cognitive Impairment (2 contact hours)

The online geriatric health curriculum is an easy to use, low cost resource for personal growth and professional development. The curriculum has over 25 modules to choose from and 65+ continuing education (CE)/contact hours to offer. Modules focus on aging and associated health issues and are interdisciplinary in context, current in best practices and approved for continuing education/contact hours for professional license requirements. Once enrolled participants gain 24/7 access to the curriculum for one year, providing a self-paced format with the flexibility to fit their scheduling needs.

Geriatric Healthcare Series
Online via University of Washington Interactive Virtual Classroom

The Montana Geriatric Education Center and the Northwest Geriatrics Workforce Enhancement Center team up to provide two 10 week series on geriatric topics for health professionals.

Nationally and regionally recognized NW GWEC faculty will present each topic and facilitate discussion. The series will assist providers in developing and enhancing health promotion interventions to prevent disease and postpone further disability for the older adults they serve. This series will give community-based providers working in the field of aging the opportunity to access valuable information without having to travel a great distance.

Target Audience:
The series is designed for healthcare providers including physicians, nurses, physician assistants, nurse practitioners, physical and occupational therapists, psychologists, social workers, pharmacists, and other interested professionals.

Location:
Montana locations will connect via Adobe Connect. This is a GROUP connection, 2 or more in a group. The series is not available for individual connection due to bandwidth issues.

Regularly Participating Sites: Anaconda, Billings, Broadus, Butte, Culbertson, Columbus, Ennis, Glendive, Glasgow, Great Falls, Havre, Helena, Kalispell, Missoula, Sidney, Whitefish

Contact Hours:
15 contact hours available (1.5 per session). Free for all disciplines. Nurses requesting ANCC credit pay a $40 processing fee to the UW School of Nursing for a contact hour certificate. This fee covers the entire 10 week series.

Registration:
If you would like notification when registration opens or are interested in becoming a site host, please call 406-243-2453 or email Montana.gec@umontana.edu You can also visit the training and events page on the MTGEC website at http://health.umt.edu/mtgec/
