A. BRIEF OVERVIEW OF AGENCY SETTING
Bereavement Support, Home Health, Hospice Services, Hospice Center, and Infusion Therapy

B. DESCRIPTION OF CLIENT GROUP
Primarily fragile elderly and/or end of life, and family systems

C. LEARNING OPPORTUNITIES
Medical social work assessment & evaluation, referrals, brief counseling, instruction & assistance in putting support systems in place to allow independent living.

Bereavement support including mailings, visits, phone contact, and support groups.

D. EXPECTATIONS OF STUDENTS
Regulations limit their ability to work independently in this setting, although they work closely with our SW staff to the benefit of those we serve.
