- **Hobbiton Child Development Center - Quito | Ecuador**
  The Hobbiton Child Development Center is a unique early childhood education organization which focuses on teaching children about the diversity of Ecuadorian culture, arts and human rights, women's rights and children's rights. Come to Ecuador and assist with the development of the English-as-a-Second-Language program. Some compensation offered for local transportation expenses. Some Spanish language skills required. Minimum 3 months.

- **Ethiopian Center for Disability and Development (ECDD) - Addis Ababa | Ethiopia**
  ECDD promotes the inclusion of disability issues and people with disabilities in mainstream government and NGO projects and programs. Interns help improve building accessibility, build disability inclusion capacity, strengthen university centers for students with disabilities, and train public media on disability issues.

- **Wogen Children and Mothers Support Association - Gondar | Ethiopia**
  New site! Share in this non-profit organization's efforts to promote the health, education and productivity of mothers, orphans and vulnerable children. Interns assist with social work, micro-enterprise development, environmental assessment and conservation, urban gardening, and children's development.

- **Internships in Germany: Individualized Placements - Multiple Locations / Germany**
  Individual placements throughout Germany are possible. Students are encouraged to consider combining one of the grant funded programs (eg. CDS International's EMGIP program or the Bosch summer internship) with the possibility to get credit and support through IE3. If you are interested in an internship in Germany, but don't see one on the website that fits your needs, contact Natanya Desai for more information.
